

Veteran Edition—March 2000

What's New on the VISN 2 Website?

Veteran Services Redesigned!

Announcing the newly-redesigned Veteran Services portal! One of the most popular pages on the website, Veteran Services launches users into a world of veterans news, information and resources. These most-requested links of interest to veterans have been organized into categories for quicker access and ease of use.

Veterans' Wellness

The Spring 2000 issue of VISN 2's Veterans' Wellness newsletter is arriving in veterans' mailboxes this month. This quarter's issue covers many issues of importance to veterans: Aging Well, Preventing Back Pain, Keeping Bones Strong, and advanced care issues such as Home-Based Primary Care, Respite Program, and Adult Day Health Care. Read this issue online and access back issues on the Web.

Webmaster's Note

The VISN 2 Website continues to be recognized nationally. The site was featured March 13 on Vice President Al Gore's *AccessAmerica.gov* website. VA's employee magazine, *Vanguard* also featured the site in its January 2000 issue.
